## **The Peterborough Humane Society hosts adopt-a-thon to help find homes for influx of cats**

Peterborough, ON (August 18, 2017) – The Peterborough Humane Society is pleased to be hosting an ‘iAdopt Urgent Appeal’ adoption blitz until Aug. 31 to help find homes for the recent influx of cats and kittens in its care.

“We urgently need to find homes for the cats in our care,” says Andrew Fraser, Executive Director of the Peterborough Humane Society. “We are looking for the public’s assistance to help us place cats into loving forever homes.”

During this urgent appeal, **all cats and kittens will be available for adoption for \$50 each.** All cats are spayed or neutered, microchipped, come with a gift of six weeks free pet insurance and are up to date with their vaccines, are fully dewormed and have received flea, tick and mite control.

The iAdopt Urgent Appeal is running from Aug. 17, 2017 to August 31, 2017 at the Peterborough Humane Society with the goal of placing as many cats as possible into loving forever homes.

“If you are able to welcome a cat into your home, consider adopting during our urgent appeal,” says Andrew Fraser, Executive Director. “If you can’t adopt right now, please tell your friends and family about the cats in our animal centre that are waiting and longing for their new forever families.”

To view cats available for adoption, please visit the Peterborough Humane Society Monday – Saturday between the hours of 10am and 4pm. Adoption ready cats are also available for viewing by visiting [peterboroughhumanesociety.ca](http://peterboroughhumanesociety.ca) and clicking on ‘Adopt a Pet’.
